

# Three Day Hollyford Track Guided Wilderness Experience

A journey of discovery from the mountains to the sea  
Hollyford Valley, Fiordland

**2015 / 2016 SEASON (Retail)**  
Valid October 2015 - April 2016

**Located in the spectacular Fiordland National Park, the dramatic Hollyford Track guided wilderness experience is one of New Zealand's greatest walks.**

Explore undisturbed and inspiring scenery that has remained largely untouched for thousands of years, from the snow capped mountains of the majestic Southern Alps, ancient native rainforest, pristine rivers and lakes to the remote sand dunes, reef and surf of the rugged West Coast.

Your expert guide will bring to life the diversity of landscapes, vegetation and wildlife within this beautiful valley, as well as the captivating stories of the original Maori and early pioneers. The experiences are just as diverse and include hiking through 'World Heritage' wilderness, native wildlife encounters, wilderness jet-boating, exploring historical sites, and a scenic helicopter flight to Milford Sound.

On this 3 day / 2 night all inclusive guided wilderness experience you'll enjoy first rate cuisine prepared and served by our friendly lodge hosts while relaxing in our well appointed and comfortable private lodges. A maximum number of 16 people in your group provides for a personal experience, and with your guide sharing their intimate knowledge of the area with you, it's a wonderful way to explore the very essence of New Zealand's wilderness.

## Daily Summary

**Day 1:** Depart Queenstown 6.30am / Te Anau 8.40am. 19.5km Walking. *Highlights Include: Native Rain Forest / Alpine Views / Crystal Rivers / Waterfalls*
